

Permission for Rides

Please take the time to read through this form completely, to make sure you understand what this involves before agreeing or disagreeing.

We want your children to be able to participate in Youth Group activities as much as possible and we realize that many parents are busy or otherwise unable to transport their children for this purpose.

In order to make it possible for students to be active and engaged with the Youth Group, we understand that it may be necessary at times for them to get a ride to/from Youth Group or other nearby youth events. The church has a 12-passenger van to facilitate transportation of children to and from youth activities. There might also be times when approved adult volunteers will use their personal vehicles, either because there's not enough room to fit all the kids in the van, or because there are too few students to justify use of the van. We will never transport children in any vehicle unless there are seats and safety belts available and in use by each occupant.

If your child needs a ride to Wednesday evening Youth Group, they will be picked up sometime between 4:30 and 5:30. If we do not know your child needs a ride by 4 p.m. on the day of, it's still ok to ask for rides, but we may not be able to accommodate all requests. In extraordinary situations, we may be able to provide students a ride home from Youth Group. In that case your child will typically be dropped off at home between 8:45 and 9:30. There will always be a minimum of two adults or one adult and two or more children in the vehicle whenever transportation is being provided.

For events other than normally scheduled Wednesday night Youth Group meetings, we will give you more detailed information as they get closer. You are always welcome to contact us with questions either on Facebook, Instagram, or cell (541-817-9931). Thanks!

With the Love of the Lord,

Travis and Amanda Blair

If you have read and understood the above explanation and consent to allow you child to receive rides to and from NUBF Youth Group activities, sign below and return this form to Travis or Amanda.

I, the undersigned am the parent/guardian of _____ (name of child) have read and hereby give my permission for he/she to receive rides to and from NUBF Youth Group activities.
